DESCRIPTION OF WORK

Operate (24 hours day/7days a week for 730 calendar days) two existing ozone sparge system(s) used to reduce the hazards associated with the petroleum hydrocarbon contamination to those consistent with a Class 3 Site. This work shall also include operation and maintenance of the treatment system(s) and to conduct the groundwater monitoring program as specified (8 quarterly events/evenly spaced apart and starting in April 2009). These activities are to be conducted for the contract duration time of 730 calendar days in the vicinity of 445 South Huron, Ypsilanti, Washtenaw County, Michigan.

Bid Security and Performance Bonds: ☒ Required ☐ Not Required

All Bidders submitting bids in excess of \$100,000.00 must be certified by the Department of Civil Rights for compliance with State of Michigan Equal Employment Opportunity requirements prior to submission of bids. **Note:** Due to recent processing improvements by the Department of Management & Budget (DMB) and the Department of Civil Rights (DCR) concerning Certificates of Awardability, consideration may be given to bids received while final certification is still pending. In order to qualify for such consideration a bidder who does not possess a Certificate of Awardability valid through the bid opening date must do each of the following:

- Notify MDCR in writing, by sending a facsimile (fax) to 313-456-3826 at least 3 business days prior to the bid opening date, that the bidder has submitted a bid contingent upon a pending Certificate of Awardability. Notice shall indicate the contract bid upon, the scheduled bid opening date, the name and phone number(s) of a contact person able to speak for the bidder on the subject of awardability, and the date on which the bidder's application for Certificate of Awardability was initially filed.
- Ensure that all information required on the application for Certificate of Awardability was provided to MDCR.
